

National Child Passenger Safety Technician Class

Columbia SAFE KIDS Coalition and the
MoDOT Highway Safety Division will sponsor a class
Wednesday, April 21 to Saturday, April 24, 2009

hosted by

Columbia MO Fire Department
at their training academy located at:
700 Big Bear Blvd, Columbia, MO. 65203

Technician candidates must attend the entire course.

Successful completion of this course certifies the individual as a
Child Passenger Safety Technician for two (2) years.

New technicians must participate in
two car seat check-up events in a two year period.

Current technicians are welcome to observe the class
and may earn CEU's for recertification
or request to be a course assistant.

To register or for further information go to: www.safekids.org/certification
Course Registration Number: MO2010010512

Course registration fee is \$60.00 per person.
Registration deadline is April 20, 2009

For further information contact Darla Atkins at 573-874-7556.
